

# Stock Logos

The stock cuts illustrated below are a small fraction of what we have available. If you do not find a logo that is appropriate please ask and we will be happy to find one suited to your needs. Most state seals, state outlines and numerous service organizations are available. These cuts are not actual size.

# Custom Logo

Black and white camera ready art is required to produce a hot stamping die. Photocopied, faxed, gray-scale or colored art does not qualify as camera-ready and will incur an art charge. When e-mailing in art, please insure that all text is converted to curves/outline/path prior to sending. Allow one additional week production time for orders with a custom logo.
